LETTER TO SHAREHOLDERS

Dear Shareholders,

It gives me immense pleasure to place before you the 13th Annual Report of Pecos Hotels and Pubs Limited. Despite many challenges in the Food and Beverage industry, your Company has still managed to close the financial Year on a positive note. The difficult period, from July 2017 until October 2017, though adversely impacted the performance of the company, is now well and truly behind us.

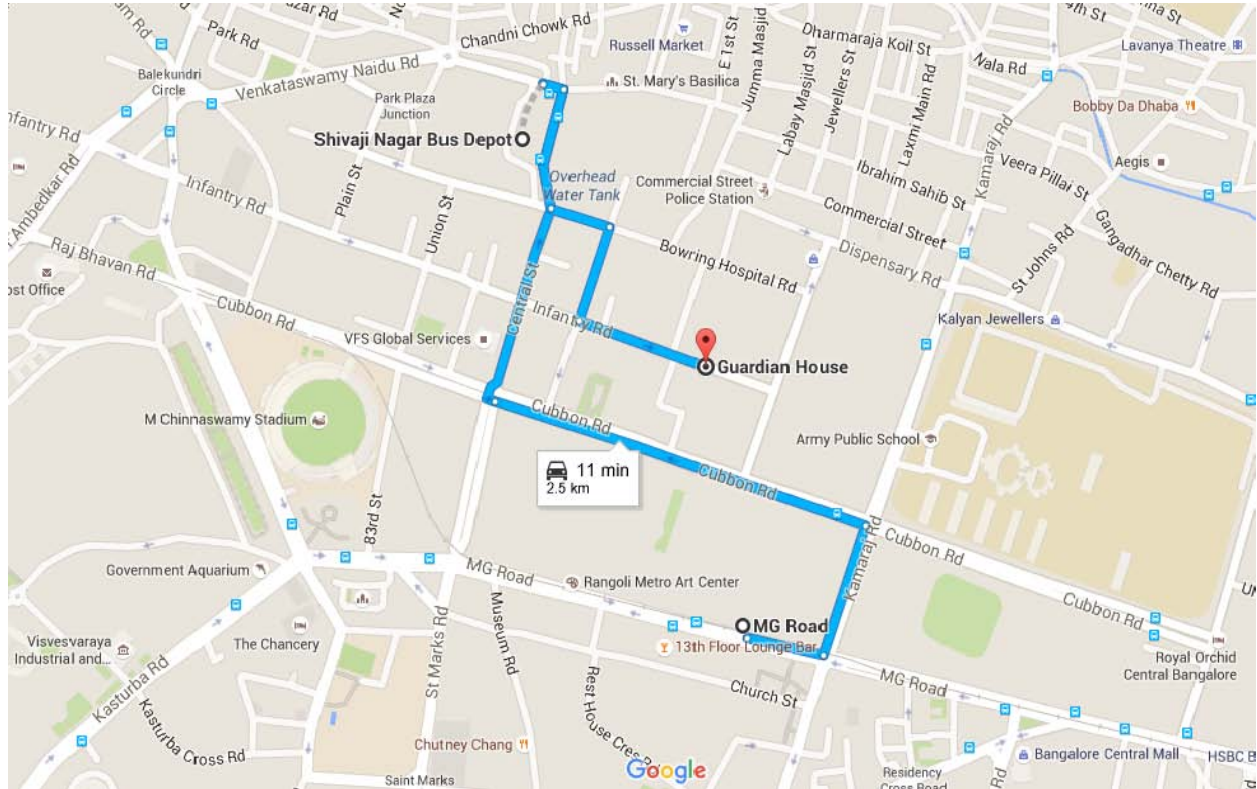

The Management remains optimistic about the prospects for the Financial Year 18-19. The positive effects of introduction of technology , system , processes and highly skilled Management Executives, We believe is begin to show results.

I wish to record my deep appreciation for all our stakeholders who include our staff Consultants, vendors and suppliers who have stood by us through the years, especially in the difficult year gone by.

Yours Sincerely
Collin Richard Timms
Managing Director

.ANNEXURE V

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. INDUSTRY STRUCTURE AND DEVELOPMENT:

The Food & Beverages Industry in India continues to grow at a very rapid pace. This industry is largely insulated by the macro effects of the economy as it is mostly driven by genuine demand that is need based. The industry is by and large in the unorganized sector. The product offerings of the industry are of a wide spectrum in terms of both price and quality, responding to a huge demand from every section of society. We see this industry growing at an even faster pace for decades to come, being driven by the rapid urbanization of India and a combination of increased per capita income and fast paced life style of this urban population.

2. OPPORTUNITIES & THREATS:

In a largely unorganized industry, there is a obvious opportunity in establishing strong brands that offer a consistent quality and dependable product. Clients are becoming more discerning and value conscious. This gives us an opportunity to carve out a market share for our company that would be profitable and durable over the long term.

Sudden changes in government regulation have proved to be a significant threat to our industry. We can however mitigate this threat by wider diversification both geographically and in our product offering.

3. SEGMENT WISE OR PRODUCT WISE PERFORMANCE:

Your company will concentrate on consolidating and growing its well established brand “PECOS PUBS” in markets outside Bangalore and Karnataka. The company is focusing on cities where we are confident of an established fan following of our brand. There is an ongoing process of our research and development to identify new product verticals that can evolve into brands of the future.

4. OUTLOOK:

Your Management holds a very positive outlook for the brand going forward. “Pecos Pubs” was awarded the best pub of 2018 by “TIMES FOOD GUIDE” .This is an honor hard won by consistent performance over the years.

5. RISKS AND CONCERNS:

Your company has been dealing with businesses such as competition, attrition, pilferage etc, for decades, and we have developed robust risk mitigation system to address these issues. Regulatory policy especially with regard to alcoholic beverage is a state subject, and varies significantly from one state to another. This remains an issue of concern for us.

6. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

Your company has invested substantial resources into technology and system based controls for all aspects of business operations. Every outlet is subject to real time accounting for sales and purchases. In addition, strict controls are maintained for hygiene and food quality produced.

7. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

The Financial performance of the accounting year 2017-2018 was adversely affected by the temporary closure of three units due to the supreme court order concerning sale of liquor on highways .It was four months before a clarification was released that units could re-open. The same order created delays in obtaining excise licenses at other units as well. We are happy to announce that those unfortunate, unprecedented and unforeseen circumstances are now in the past. The company expects to achieve a much higher level of operational profitability in the current Financial Year.

5. MATERIAL DEVELOPMENT ON HUMAN RESOURCES:

The F&B business continues to be very subjective and dependant on human capital. Your company is fully seized of this reality and continues to invest in training of existing staff to optimize their potential. Fresh talent is also introduced in the company whenever and wherever possible. Your company enjoys the privilege of having a long dedicated loyal work force in an industry which is plagued by alarming attrition rates. We believe that Our commitment to offer the best possible product plus service to our clientele is shared by each and every member of our team. This is the only recipe for our success.

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and the order under Section 143(11) of the Act

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

ANNEXURE - A TO THE AUDITORS' REPORT

Report on the Internal Financials control under Clause (i) of Sub-section 3 of Section 143 of the Companies Act ,2013("the Act")

We have audited the internal financial controls over financial reporting of Pecos Hotels and Pubs Limited ("the Company") as of 31 March 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing

the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures

selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Significant Accounting Policies

22.1. The Company and nature of its operations:

Pecos Hotels and Pubs Limited (hereinafter referred to as “Pecos” or “the company”) is public limited company incorporated under erstwhile Companies act 1956 having its registered office located at No 34, Rest House Road, Bangalore -560 001. The company is into the business of running of hotels and pubs in Bangalore, Pune, Hyderabad and Nasik. The shares of the company are listed in Bombay stock exchange and registered share transfer agent is Link Intime India Private Limited.

22.2. Summary of significant accounting policies:

a) Basis of preparation of financial statements

The financial statements have been prepared on the basis of a going concern assumption, on historical cost convention and on accrual method of accounting in accordance with the generally accepted accounting principles in India, Accounting Standards prescribed under Section 133 of the Companies Act, 2013 (‘Act’) read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guideline issued by SEBI, to the extent applicable and the provisions of the Companies Act, 2013 as adopted consistently by the Company. All assets and liabilities have been classified as current or noncurrent based on an assumption of 12 months operating cycle.

b) Use of estimates

The preparation of the financial statements in conformity with GAAP requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, the useful lives and provision for impairment of fixed assets and intangible assets. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Future results could differ from these estimates.

c) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the Management. The Company depreciates property, plant and equipment over their estimated useful lives using the written down value method. The estimated useful lives of assets are as follows:

Asset	Estimated useful life
Furniture and fixtures	8 years
Office equipment	5 years
Computers	3 years
Plant and machinery	15years
Electrical Fittings	10 years

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end. Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in net profit in the Statement of Profit and Loss when incurred.

d) Intangible assets

Intangible assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized on a straight-line basis over their useful lives as follows:

Goodwill	10 years
Software's	4 years

e) Inventories

Inventories are measured at the lower of cost and net realizable value. Cost of inventories comprises of all costs of purchase and other costs incurred in bringing the inventories to their present condition and location. Costs of materials are determined by the FIFO method.

f) Revenue recognition

The company primarily earns revenue from the sale of beer, food and beverages at the outlets. Revenue has been recognized on the following terms:

- i) Revenue from sale of beer, food and beverages is recognized upon sale of goods and rendering of services adjusted for discounts provided to the customers.
- ii) Interest income is recognized on a time proportion basis taking into account the amount outstanding and interest rate applicable.

g) Retirement and other benefits to employees

i) Provident fund

The company makes regular monthly contributions to the Provident Fund which is in the nature of defined contribution scheme and such paid/payable amounts are charged against revenue.

ii) Leave encashment / Compensated absences

As per policy of the Company, the Company does not allow any carry forward of accumulated leave balance to next financial year. Therefore no amount has been provided for in the books as at balance sheet date.

h) Foreign currency transactions

Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realized gains and losses on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences except those qualifying for hedge accounting are recognized in the Statement of Profit and Loss.

i) Accounting for taxes on income

- i) Provision for current tax is made, based on the tax payable under the Income Tax Act, 1961. Minimum Alternative Tax (MAT) credit, which is equal to the excess of MAT (calculated in accordance with provisions of Section 115JB of the Income tax Act, 1961) over normal income-tax is recognized as an asset by crediting the Statement of Profit and Loss only when and to the extent there is convincing evidence that the Company will be able to avail the said credit against normal tax payable during the period of ten succeeding assessment years.
- ii) Deferred tax on timing differences between taxable income and accounting income is accounted for, using the tax rates and the tax laws enacted or substantively enacted as on the balance sheet date. Deferred tax assets on unabsorbed tax losses and unabsorbed tax depreciation are recognized only when there is a virtual certainty of their realization. Other deferred tax assets are recognized only when there is a reasonable certainty of their realization

j) Impairment

The Management periodically assesses, using external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

k) Provisions and Contingent Liabilities

A provision is recognized when the Company has a Present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Contingent liabilities, if any are disclosed in the Notes.

l) Earnings Per Share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

22.3. Information on share capital:

All equity shares of the company belong to the same class, carrying equal rights and voting powers. There are no preferences attached to any shares.

- a) Reconciliation of number of shares outstanding at the beginning of the year and at the end of the year is as follows:
